Partnership Promises

Every partnership -- personal, social, and business -- holds the promise of fulfillment beyond what you can attain on your own. If partners understand one another and support each other's goals and aspirations, the sky is the limit.

The most a partner can expect of you is that you do the most you can as well as you can.

The beauty of a partnership is that your dreams are more likely to become reality.

The Wake-Up Call

Robin found Frannie curled up on her bed, mired in self-pity. "C'mon," she said softly but firmly. "We need to fix this."

Frannie turned away and buried her face in her pillow. "It's OK, Robin. Go to lunch. I'll figure it out."

"No, we'll figure it out." Robin rolled Frannie toward her. "Sometimes it takes a wake-up call to bring things into focus. I oughta know."
