DOING GOOD MATTERS; DO IT NOW What we do with our resources is a personal choice. Decisions related to how we utilize our resources are opportunities for us to be the best we can be... if we choose to spend our time, money, and effort on endeavors that bring value to ourselves and others.

Be remembered for doing good

Don't miss opportunities to do good things; make life and time count.

Author Insight

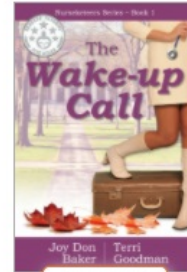

"Do it Now" is the best policy

The longer we postpone accepting responsibility, the more likely that when we rise to the occasion, it will be too late.

Book Excerpt

The Wake-Up Call

Dr. Grosvenor returned the chem tests in lab on Tuesday after vacation. Frannie held her test, folded lengthwise, for several long minutes before opening it. *"The test questions might as well have been written in Greek! I waited too long to start studying."* She unfolded the paper revealing the red "F" in the upper right corner. Devastation washed over her, and she hurried from the lab before she burst into tears. In the dorm, tears blurred her vision and a torrent of thoughts spilled over one another. *"I've only got six weeks left before finals and I'm failing."*
