THANKSGIVING

Today we give our *thanks* for the blessings we have received... our families, our friends, our opportunities and our successes... and we wish everyone happiness as we begin the holiday season. We've weathered significant challenges these past few years, and the road ahead may still be rocky... but we are here for one another, and there is so much for which to be grateful.

A day of joy, thanks, appreciation, and sharing...

Thanksgiving is all about the wonders and the wonderful.

Author Insight

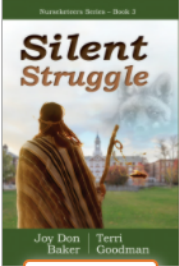

Thanksgiving

In addition to being celebrations of a special event, holidays give families the opportunity to celebrate. Family members come together, often from long distances, to enjoy one another, catch up, and maintain currency in one another's lives. Happy Thanksgiving to all.

Book Excerpt

Silent Struggle

John ran down the porch steps as Katie pulled to a stop in front of her house. "Hey," he called. He held out his arms when she slid out from behind the wheel. "Welcome home. I can't wait to spend the whole Thanksgiving weekend with you." "It's good to be home," Katie said. "Sorry I haven't been in touch, but it's been a bear of a semester. How're you doing?" "Okay, but I've missed you, Katie."
