PARTNERSHIPS

One of the beauties of partnering with another to accomplish a goal is the ability to bring together all of the skills and talents needed to achieve an outstanding product. Another is the joy of working with a friend and colleague. Yet another is sharing the workload.

There are lots of perfect partnerships:
*focus and whimsy...content expertise
and creative writing ... business and
pleasure --- all of which enhance the
quality of a written work.*

Remember that a partnership is a **business arrangement**. Give it structure and treat it with respect ... then enjoy it!

Ideal Partnerships

The most effective partnerships are those in which the various partners represent all of the skills required to achieve a stellar outcome. It's unusual for a single individual to excel in every aspect of of the partnership process. Choose partners who provide the skills you need; not the ones you already have.
