OUR WORLD IS CHANGING

To make the most of life, don't just adapt to change; embrace it! Take advantage of opportunities to grow, learn, and influence the world around you. Consider change an opportunity to enhance your situation.

Keep your eyes open! Be an active part of the world around you.

Those who prepare can benefit from changing situations.

Author Insight

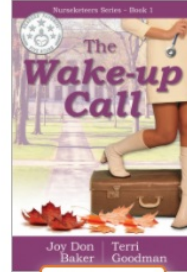

A Changing World

The world around us continues to change... it swells, and shrinks, and shifts. Sometimes it throws us a curve ball. We have to keep up with the changes... adapt, cope, grow!!

Book Excerpt

The Wake-Up Call

"We really missed Petey. This was the first holiday ever without the whole family together. It was rough telling my folks that my grades weren't as good as they'd expected. After all, I read the assignments, it's just the tests that don't ask the right questions."
