A Friend Indeed

We each confront life's challenges at different times in our lives and in different ways... but... a friend can make a tremendous difference in the process. No matter how devastating the situation, life's easier to tackle with a friend by your side.

Book Excerpt

The Wake-Up Call

"I couldn't have done without you today, that's for sure."

"The rest of us faced more challenges growing up than you did, so we learned little by little. You had to face your challenges all at once. I'll just bet if we added up our growing pains, we'd all be equal in the end." Robin gave Frannie's shoulders an affectionate squeeze. "C'mon. Stand up slowly, and we'll get this show on the road."

"I feel so stupid. Robin, I'm happy that you're here. Do you think this nightmare will ever go away? I just feel like I'll be paying for being stupid for the rest of my life."
