Pick the Moment

The answer to that all-important "ask" can depend upon how you ask and when you pose the question. Strike a balance between giving it serious thought and working yourself into a tangled ball of nerves.

Book Excerpt

Silent Struggle

Perched on the edge of the chair she'd occupied since she outgrew her highchair, Katie sighed and watched her parents, older brothers, and younger sister bent to the business of breakfast. She twisted her napkin in her lap and worked up the courage to tell her parents what she'd been pondering for months.
