## **SPEAK THE TRUTH**

Truth, no matter how difficult to deal with, is sustainable. A lie, because it has no foundation, ultimately crumbles and brings everything built upon it crashing down with it.

We pay tribute to those who fought to establish and protect our way of life..

The greatest accolade for our fallen heroes is to cherish and respect the freedoms they died to protect.

A Lie is Never the Right Approach

No matter how carefully a lie is crafted, the truth will ultimately bring it crashing to earth in the end.

Book Excerpt

Against the World

“One thing’s for sure; I won’t lie about it. I’m not good at lying. I learned from Gram that lies always catch up with you, no matter how careful you think you’re being. I’ve always gotten a lot better reaction from her when I tell the truth than when she catches me in a lie. So, no lies here.”

“What are you going to tell them?”

“No clue! There’s got to be a right way to handle this, but I haven’t figured it out yet. I have to tell Katie and Leslie, but Frannie can’t know. She is unreasonable and the secret wouldn’t be safe with her. All she can say is “it just isn’t right!” Her parents didn’t do her any favors by raising her with such an uncompromising view of the world.”
