## AGREEMENT

Partners don't think alike... they wouldn't need each other if they did. Partners respect one another's vision and suggestions, then they work together on an outcome that reflects their joint efforts.

Partners agree to invest in an outcome that is more robust and more meaningful than either could have produced alone.

Agreeing on the destination - creating a shared vision and working hard to achieve it - is the key to the success of a partnership.

a book bubble about

**A,B, & Cs of Author Partnering**  
Education & Reference

synopsis | bio | website

**Author Insight**

**Agreement Promotes Success**

Identifying at the outset what each partner expects to achieve from the partnership enhances the probability that each partner will be supportive and accommodating to ensure that both partners' expectations are met.

*A,B, & Cs of Author Partnering*

## Elements of Agreement

Explore the various elements that each partner wishes to include in the contract. Discuss what the individual elements mean to each partner to ensure that your contract reflects your agreement.
