## PLANNING PROMOTES PERFECTION

Take time to identify the hurdles you may face so that you can explore your resources and have Plan B available to address the challenges you may face. Being prepared will keep you on track and focused on success.

Be sure you know what you're doing before you do it.

Exciting projects begin with a dream and the commitment to succeed.

Author Insight

Earth Day

Rachel Carson's *Silent Spring*, published in 1962, opened our eyes to the damage we were doing to the environment. It took another eighteen years before Earth Day was recognized to give voice to environmental concerns and placed conserving our vital resources and protecting our environment front and center.
